

SUMMER SUPPERS

WHAT ARE THEY? Summer Suppers are FUN opportunities to get together with other adult churchgoers for food and fellowship. For those that enjoyed the Eight to Eat groups or you missed out last spring, this is a summer version. Everyone will be in a newly formed group.

HOW DO THEY WORK? Sign up either as a single or a twosome. We will organize groups of eight that will get together to eat three times between June and August. Your group chooses its own schedule. You can choose to eat in homes or eat out. You can do pot-luck or not. Whatever your group chooses is fine.

HOW DO I SIGN UP? Use the sign-up sheet in the church office, at coffee after church or call the church office by June 7th.

QUESTIONS? Please call Nancy Cook at 357-2419 or Margo Hunt at 674-8397.

FCC COMMUNITY GARDEN

The FCC community gardeners are grateful to John Gemmell for his invaluable help in transforming a piece of lawn into a hospitable home for our sprouting veggies. We are having FUN exercising our green thumbs. Thanks John!
